

Howard Community College Medical Laboratory Technician Transfer Plan

This transfer plan is intended for students who have completed the Associate of Applied Science in Medical Laboratory Technician at Howard Community College and who are ASCP-certified and who are interested in pursuing a Bachelor of Science in Medical Laboratory Science at Stevenson University. The equivalencies below demonstrate how a student can meet both the requirements of the associate degree and prepare for a seamless transfer to Stevenson. Please note:

- x Only courses that have course equivalencies are displayed. This guide does not show all transferable courses from this college. It also does not display all Stevenson University courses that will fulfill a specific requirement.
- x All MLTS courses must be passed with a “B” or better, and general education courses must be passed with a grade of D or better.
- x Transfer plans are intended to be used as planning tools. If you need additional assistance in selecting courses to take prior to transferring to Stevenson University, contact Stevenson Admissions at 443-352-4450.

		xCHEM 115 General Chemistry and CHEM 115 Lab (Program Requirement and Lab Science Requirement)	
	MATH 138 Statistics	MATH 136 Introduction to Statistics	4
